Timebends Jan 10 2021 The definitive memoir of Arthur Miller—the famous playwright of The Crucible, All My Sons, Death of a Salesman, A View from the Bridge, and other plays—Timebends reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral

victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe's final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

The Power of Management Capital Jul 04 2020 From the man whom *BusinessWeek* has called a "founding father" and the "hands-on implementer" of the Quality Movement comes a breakthrough approach to management and leadership Just as Armand Feigenbaum's pioneering Total Quality Control changed the world's approach to quality and productivity, *The Power of Management Capital* will also transform the contemporary business landscape. *The Power of Management Capital* explains the new business model of "management capital"—what it is and how the deployment of management assets sets pacesetter companies apart from the also-rans and business failures of the past decade. Armand Feigenbaum and his brother Donald, an executive vice president at General Systems, Inc., provide a definition of the distinct components of management capital—it is the physical assets, the culture, the approach to innovation, the intellectual capital, the human resources, etc.—and then show how the deployment of each of these assets is key to successful growth and profitability.

I Was a Monster Movie Maker Nov 27 2019 Phil Brown, who played Luke Skywalker's uncle in *Star Wars*, said, "In my long life in films, there are ones I'm proud of and those I'm not proud of. *The Jungle Captive* and *Weird Woman* fall into the latter category." *House of Wax* co-star Paul Picerni was fired by the film's director when he refused to put his head in a working guillotine during a climactic fight scene. Packed with wonderful tidbits, this volume collects 22 interviews with the moviemakers responsible for bringing such films as *This Island Earth*, *The Haunting*, *Carnival of Souls*, *Pit and the Pendulum*, *House of Wax*, *Tarzan the Ape Man*, *The Black Cat*, *Them!* and *Invasion of the Body Snatchers* to the movie screen. Faith Domergue, Michael Forest, Anne Helm, Candace Hilligoss, Suzanna Leigh, Norman Lloyd, Maureen O'Sullivan, Shirley Ulmer, Dana Wynter and many more are interviewed.

Black Boy Jun 02 2020 Richard Wright grew up in the woods of Mississippi amid poverty, hunger, fear, and hatred. He lied, stole, and raged at those around him; at six he was a "drunkard," hanging about in taverns. Surly, brutal, cold, suspicious, and self-pitying, he was surrounded on one side by whites who were either indifferent to him, pitying, or cruel, and on the other by blacks who resented anyone trying to rise above the common lot. *Black Boy* is Richard Wright's powerful account of his journey from innocence to experience in the Jim Crow South. It is at once an unashamed confession and a profound indictment—a poignant and

disturbing record of social injustice and human suffering.

The Crucible of Time Mar 24 2022 An alien race struggles to survive on an uninhabitable planet in this “impeccably detailed and beautifully thought out” novel from a Hugo Award winner (Kirkus Reviews, starred review). On a planet besieged with cosmic dust, where meteors of all sizes frequently hit, wiping out entire civilizations, a strange alien species struggles against extinction over the course of millennia. As their star grows hotter, melting ice caps and causing more earthquakes and volcanic eruptions, higher levels of radiation lead to higher rates of mutation. Plants that had been edible become poisonous or die off altogether. Watching their dire situation only get worse, the planet’s scientists finally acknowledge that to survive long-term, the inhabitants will have to abandon their fraught home world and become a space-faring species. In a story that spans millennia, Hugo Award-winning author and British science fiction master John Brunner introduces us to an alien race that takes control of their own evolution and builds the technological society that will be their way into space. “One of the most important science fiction authors. Brunner held a mirror up to reflect our foibles because he wanted to save us from ourselves.” —SF Site

The Crucible Aug 29 2022 A haunting examination of groupthink and mass hysteria in a rural community A Penguin Classic "I believe that the reader will discover here the essential nature of one of the strangest and most awful chapters in human history," Arthur Miller wrote in an introduction to *The Crucible*, his classic play about the witch-hunts and trials in seventeenth-century Salem, Massachusetts. Based on historical people and real events, Miller's drama is a searing portrait of a community engulfed by hysteria. In the rigid theocracy of Salem, rumors that women are practicing witchcraft galvanize the town's most basic fears and suspicions; and when a young girl accuses Elizabeth Proctor of being a witch, self-righteous church leaders and townspeople insist that Elizabeth be brought to trial. The ruthlessness of the prosecutors and the eagerness of neighbor to testify against neighbor brilliantly illuminate the destructive power of socially sanctioned violence. Written in 1953, *The Crucible* is a mirror Miller uses to reflect the anti-communist hysteria inspired by Senator Joseph McCarthy's "witch-hunts" in the United States. Within the text itself, Miller contemplates the parallels, writing: "Political opposition...is given an inhumane overlay, which then justifies the abrogation of all normally applied customs of civilized behavior. A political policy is equated with moral right, and opposition to it with diabolical malevolence." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Beyond the Burning Time Jun 14 2021 When, in the winter of 1691, accusations of

witchcraft surface in her small New England village, twelve-year-old Mary Chase fights to save her mother from execution.

The Story of the Salem Witch Trials Jul 16 2021 Between June 10 and September 22, 1692, nineteen people were hanged for practicing witchcraft in Salem, Massachusetts. One person was pressed to death, and over 150 others were jailed, where still others died. The Story of the Salem Witch Trials is a history of that event. It provides a much needed synthesis of the most recent scholarship on the subject, places the trials into the context of the Great European Witch-Hunt, and relates the events of 1692 to witch-hunting throughout seventeenth century New England. This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials. From beginning to end, the reader is carried along by the author's powerful narration and mastery of the subject. While covering the subject in impressive detail, Bryan Le Beau maintains a broad perspective on events, and wherever possible, lets the historical characters speak for themselves. Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American history.

*The Crucible Oct 31 2022 "The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller.*

Beheld Dec 21 2021 A New York Times Notable Book of the Year A Publishers Weekly Best Fiction Book of 2020 Most Anticipated Books of 2020 -- Vogue, Medium, LitHub Honoree for the 2021 Society of Midland Authors Prize Finalist for the 2021 Ohioana Book Award in fiction A Massachusetts Book Awards "Must Read Book" From the bestselling author of The Wives of Los Alamos comes the riveting story of a stranger's arrival in the fledgling colony of Plymouth, Massachusetts--and a crime that shakes the divided community to its core. Ten years after the Mayflower pilgrims arrived on rocky, unfamiliar soil, Plymouth is not the land its residents had imagined. Seemingly established on a dream of religious freedom, in reality the town is led by fervent puritans who prohibit the residents from living, trading, and worshipping as they choose. By the time an unfamiliar ship, bearing new colonists, appears on the horizon one summer morning, Anglican outsiders have had enough. With gripping, immersive details and exquisite prose, TaraShea Nesbit reframes the story of the pilgrims in the previously unheard voices of two women of very different status and means. She evokes a vivid, ominous Plymouth, populated by famous and unknown characters alike, each with conflicting desires and questionable behavior. Suspenseful and beautifully wrought, Beheld is about a murder and a trial, and the motivations--personal and political--that cause people to act in unsavory ways. It is also an intimate portrait of love, motherhood, and friendship that asks: Whose stories get told over time, who gets believed--and subsequently, who gets punished?

The Crucible Feb 08 2021 A haunting examination of groupthink and mass

hysteria in a rural community The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, The Crucible brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —New York Post
