Readings come from Old and New Testament texts. These daily readings, which prepare us for the 13 lessons in Adult Bible Studies, are written by Nan Duerling, Gary Thompson, and Stan Purdum. The Early Church Proclaims Faith in Christ Daily readings in this five-week unit focus on what it means to have faith in Jesus, faith to discern, faith to persevere, and faith to unite and be faithful seekers of the King. A Living Faith in God This four-week unit features readings related to having a sincere faith, a bold faith, and a strong faith, and offers thoughts on prayer for an obedient faith. Self-Controlled, Upright, and Godly Faith The daily readings in this four-week unit unpack what it means when we say that faith without works is dead and how we can live as faithful disciples and fight the good fight of faith with discipline and intention. This ongoing day-by-day Bible study series is presented in quarterly segments. Bible-based, Christ-focused, and United Methodist-approved, this resource helps individuals develop the discipline of studying the Bible every day. It coordinates with the lesson themes of Adult Bible Studies. Each lesson includes: a one-page Bible study for each day of the quarter, along with introductory reflection questions and Commentary on the daily Scripture passage, Life Application, and a concluding prayer. Romans Dec 09 2020 Lectio divina is Latin for divine reading. The Lectio Divina for Youth books are Bible studies that call students to slow down, read Scripture, meditate on it, and prayerfully respond as they listen to God through His Word. These powerful books expand on the successful Barefoot Ministries' Ancient Faith Series. They work perfectly with either small groups or individual Bible study. Each Lectio Divina for Youth Bible study incorporates the following approach: Reading (Lectio). Quieting ourselves prior to reading the Word. Meditation (Meditatio). We dig deep and explore the meaning of the Bible passage. Prayer (Oratio). We respond to God through praise, thanksgiving, confession, and agreement. Contemplation (Contemplatio). We come to a place where we rest in the presence of God and receive what He has said to us. Each chapter ends with a set of group study questions. Questions are designed for students to think about and discuss what it means to live out the Word in their community.

[Alongside](#) Feb 08 2021 Alongside is a much-needed resource for both parents and those in youth ministry. In this transformative book, Drew Hill unpacks the challenges teenagers face and how youth leaders and parents can share the gospel with them at this crucial age. Full of practical insight and biblical knowledge, Alongside is an invitation to love teenagers well with the hope of the gospel. Our teenage friends are full of questions and longings. They're trying to figure out who they are, where they belong, and if they matter during this pivotal time of development—all while facing new realities of loneliness and isolation, despite their social media followers. Teenagers want to be chased, and Alongside brings Scripture to life and helps parents and those in youth ministry practically connect the life of Jesus to the lives of their adolescent children and friends. Through Scripture and captivating personal stories from years of experience working in youth ministry, Hill pulls back the curtain and invites readers to step into the unfiltered world of teenagers. How do we start meaningful conversations with our teenage friends? How do we build trust across the dining room table? What would it look like to prayerfully cultivate a group of leaders or parents with a shared goal of seeing Christ transform the lives of teenagers in our communities? What does Jesus have to say about caring for our middle or high school friends, and how can he use us in his plan to rescue them? Alongside offers practical application and biblical truths to highlight the complexities of relational youth ministry, address the needs real teenagers encounter in their daily lives, and engage their hearts rather than just their behavior. Hill explores what it looks like to not only share the love of Jesus with our teenage friends but to share our very lives with them as well.

Victims of the Book Jul 24 2019 Victims of the Book uncovers a long-neglected but once widespread subgenre: the fin-de-siècle novel of formation in France. Novels about and geared toward adolescent male readers were imbued with a deep worry over young Frenchmen's masculinity, as evidenced by titles like *Crise de jeunesse* (Youth in Crisis, 1897), *La Crise virile* (Crisis of Virility, 1898), *La Vie stérile* (A Sterile Life, 1892), and *La Mortelle Impuissance* (Deadly Impotence, 1903). In this book, François Proulx examines a wide panorama of these novels, many of which have rarely been studied, as well as polemical essays, pedagogical articles, and medical treatises on the perceived threats posed by young Frenchmen's reading habits. Against this cultural backdrop, he illuminates all that was at stake in representations of the male reader by prominent novelists of the period, including Jules Vallès, Paul Bourget, Maurice Barrès, André Gide, and Marcel Proust. In the final decades of the nineteenth

century, social commentators insistently characterized excessive reading as an emasculating illness that afflicted French youth. Fin-de-siècle writers responded to this pathologization of reading with a profusion of novels addressed to young male readers, paradoxically proposing their own novels as potential cures. In the early twentieth century, this corpus was critically revisited by a new generation of writers. Victims of the Book shows how Gide and Proust in particular reworked the fin-de-siècle paradox to subvert cultural norms about literature and masculinity, proposing instead a queer pact between writer and reader.

iGen Jan 10 2021 As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, iGen is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today's rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, iGen is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, iGen spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes iGen distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of iGen just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of iGen also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where iGen goes, so goes our nation—and the world.

Reading Youth Writing Aug 29 2022 This book aims to provide new insights into the complexities of theorizing contemporary adolescent literacies. It proposes a theoretical approach to understanding youth cultural production which addresses several lacunae in the field of new literacy research. Through a series of examinations of youth «writing» both inside and outside of school, the book builds an approach to the study of contemporary youth expression that draws on the theoretical and methodological insights of cultural studies. The voices of youth are central, and both the content and form of what they have to say ground the project. Reading Youth Writing is intended for a cross-disciplinary academic audience: it will be of particular interest to scholars and both undergraduate and graduate students in the fields of education, new literacy, cultural studies, communications and media studies, rhetoric and composition studies, sociology, and sociolinguistics. Since the content is based on youth cultural production in a period of economic and cultural globalization, the book has relevance to a broad international audience.

Be the Bridge Oct 19 2021 NEW YORK TIMES BESTSELLER • ECPA BESTSELLER • “When it comes to the intersection of race, privilege, justice, and the church, Tasha is without question my best teacher. Be the Bridge is THE tool I wish to put in every set of hands.”—Jen Hatmaker WINNER OF THE CHRISTIAN BOOK AWARD® • Winner of the Christianity Today Book Award • A leading advocate for racial reconciliation calls Christians to move toward deeper understanding in the midst of a divisive culture. In an era where we seem to be increasingly divided along racial lines, many are hesitant to step into the gap, fearful of saying or doing the wrong thing. At times the silence, particularly within the church, seems deafening. But change begins with an honest conversation among a group of Christians willing to give a voice to unspoken hurts, hidden fears, and mounting tensions. These ongoing dialogues have formed the foundation of a global movement called Be the Bridge—a nonprofit organization whose goal is to equip the church to have a distinctive and transformative response to racism and racial division. In this perspective-shifting book, founder Latasha Morrison shows how you can participate in this incredible work and replicate it in your own community. With conviction and grace, she examines the historical complexities of racism. She expertly applies biblical principles, such as lamentation, confession, and forgiveness, to lay the framework for restoration. Along with prayers, discussion questions, and other resources to enhance group engagement, Be the Bridge presents a compelling vision of what it means for every follower of Jesus to become a bridge builder—committed to pursuing justice and racial unity in light of the gospel.
