White Noise Sep 18 2021 A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

V for Vendetta Book & Mask Set Aug 25 2019 In a world without political freedom, personal freedom and precious little faith in anything comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil. The inspiration for the hit 2005 movie starring Natalie Portman and Hugo Weaving, this amazing graphic novel is

packaged with a collectable reproduction of the iconic V mask.

Contemporary Dystopian Fiction for Young Adults May 27 2022 Winner of the Children's Literature Association Edited Book Award From the jaded, wired teenagers of M.T. Anderson's *Feed* to the spirited young rebels of Suzanne Collins' *The Hunger Games* trilogy, the protagonists of Young Adult dystopias are introducing a new generation of readers to the pleasures and challenges of dystopian imaginings. As the dark universes of YA dystopias continue to flood the market, *Contemporary Dystopian Fiction for Young Adults: Brave New Teenagers* offers a critical evaluation of the literary and political potentials of this widespread publishing phenomenon. With its capacity to frighten and warn, dystopian writing powerfully engages with our pressing global concerns: liberty and self-determination, environmental destruction and looming catastrophe, questions of identity and justice, and the increasingly fragile boundaries between technology and the self. When directed at young readers, these dystopian warnings are distilled into exciting adventures with gripping plots and accessible messages that may have the

potential to motivate a generation on the cusp of adulthood. This collection enacts a lively debate about the goals and efficacy of YA dystopias, with three major areas of contention: do these texts reinscribe an old didacticism or offer an exciting new frontier in children's literature? Do their political critiques represent conservative or radical ideologies? And finally, are these novels high-minded attempts to educate the young or simply bids to cash in on a formula for commercial success? This collection represents a prismatic and evolving understanding of the genre, illuminating its relevance to children's literature and our wider culture.

First Against the Wall Sep 26 2019 Who is leading the rabble to victory? Toreth shifted against the wall, trying to get comfortable. Between bruises and handcuffs, he didn't have much success. On the first day, in the first cell, the lights had been on, the water dispenser working, and the prisoner feeding schedule still running. Then the lights went out, and things had gone steadily downhill from there. Now, he sat in darkness so absolute that he couldn't see a hand in front of his face, if he'd been in a position to check. The last time he'd been taken out of the cell it had been light in the corridors, which was something. If the power to the building failed totally, they would suffocate down here. At the moment, the air cycling was still functional, feeding chill air into the cell-like the lights, the heating systems had been switched off or had broken down. He couldn't accurately estimate when he'd last eaten. Two days or so, probably, but he was starting to feel the effects. The water system worried him most. It worked only intermittently and the water had an unpleasant, overly chemical flavor. The systems were failing. Something had gone badly wrong, and had continued to go wrong for so long that he'd been forced unwillingly to conclude that it had to have hit more than I&I. Revolution has come to the Administration, as the citizens rise up against government and corporate oppression. With old and new enemies all around them, what will the new future hold for despised para-investigator Val Toreth, and corporate highflier Keir Warrick? And how long will that future last?

The Story Seer Dec 22 2021 21-year-old Aurora Reynolds is an artist in the canvas of the mind. Fighting against the terrorist organization using the weather as a weapon, Rory has the ability to navigate a suspect's subconscious to find their most guarded secret and exploit the intel they're

hiding. And she's the best the country has ever seen. Too bad the rest of her life isn't so glamorous. A lazy, entitled boyfriend, raising her rebellious teenage sister alone, and attempting to make the ramen in the cupboard stretch for another meal are just a handful of the problems Rory juggles in addition to saving the world. When an accused high-level terrorist is brought to Rory, she's shocked to find his memories of falling in love instead of the expected nefarious plot. The heart-racing yet confusing love story Rory uncovers causes her to question everything from her own convoluted relationship to the mission itself. The discoveries Rory makes in her journey for the truth bring her to a set of crossroads, both personally and professionally. Can Rory afford to gamble with the safety of an entire nation based on revelations from a man accused of treason? Or will the consequences be much costlier if she chooses not to follow her heart?

Hopeless Jul 05 2020 From the #1 New York Times bestselling author of *It Ends With Us* comes the beginning of Sky and Dean's passionate love story - where well-kept secrets threaten to open wounds of a dark past. Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Beloved and bestselling author Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust - and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she's tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defenses and the intensity of the bond between them grows. But the mysterious Holder has been keeping secrets of his own, and once they are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. *Hopeless* is a novel that

will leave you breathless, entranced, and remembering your own first love.

The Cure Jul 29 2022 Before the Blight, becoming an adult was something teenagers looked forward to. But now, turning eighteen means certain death. Unless you prove yourself worthy of the Cure. On her seventeenth birthday, Ashen Spencer is blindfolded and escorted to the massive, mysterious building known as the Arc to begin her year of training and testing in hopes that she can earn the Cure - a powerful drug given only to those deemed worthy to survive beyond their eighteenth birthday. Ashen has a chance to rise up from her former life of squalor and be granted a place in society, if the Panel - the mysterious group of powerful men and women in charge of the Arc - deems her year a success. She's assigned to work for twelve months as a servant for a wealthy family whose son is the most alluring young man she's ever met. At first, Ashen is grateful for the opportunity to earn her place in a society she's always dreamed of inhabiting. But as time passes and she begins to learn the truth about the people she admires so much and the home she left behind, she realizes she has a choice: Be part of the disease... Or be part of the Cure. For readers of *The Hunger Games*, *Divergent*, and *the Selection*.

Kushiel's Dart Sep 30 2022 A nation born of angels, vast and intricate and surrounded by danger... a woman born to servitude, unknowingly given access to the secrets of the realm... Born with a scarlet mote in her left eye, Phédre nó Delaunay is sold into indentured servitude as a child. When her bond is purchased by an enigmatic nobleman, she is trained in history, theology, politics, foreign languages, the arts of pleasure. And above all, the ability to observe, remember, and analyze. Exquisite courtesan, talented spy... and unlikely heroine. But when Phédre stumbles upon a plot that threatens her homeland, Terre d'Ange, she has no choice. Betrayed into captivity in the barbarous northland of Skaldia and accompanied only by a disdainful young warrior-priest, Phédre makes a harrowing escape and an even more harrowing journey to return to her people and deliver a warning of the impending invasion. And that proves only the first step in a quest that will take her to the edge of despair

and beyond. Phédre nó Delaunay is the woman who holds the keys to her realm's deadly secrets, and whose courage will decide the very future of her world. Not since Dune has there been an epic on the scale of Kushiel's Dart—a massive tale about the violent death of an old age and the birth of a new. It is a novel of grandeur, luxuriance, sacrifice, betrayal, and deeply laid conspiracies. A world of cunning poets, deadly courtiers, deposed rulers and a besieged Queen, a warrior-priest, the Prince of Travelers, barbarian warlords, heroic traitors, and a truly Machiavellian villainess... all seen through the unflinching eyes of an unforgettable heroine. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Last Light Apr 01 2020 It only took four years for the world to fall apart. Now the last member of my family has died, and I'm forced to travel across what's left of three states to find the only people I know left alive. To survive, I'll have to salvage food and supplies and try to avoid violent men who've learned they can take what they want by force. The only way I'm going to make it is by trusting Travis. Travis used to fix my car, and now he's all I have left in the world. He's gruff and stoic and unfriendly, and I don't really know or like him. But he's all I have left. He'll keep me safe. We'll take care of each other. Until we reach what's left of our town and can finally let go of one another. Last Light is a standalone post-apocalyptic romance set in the near future after a global catastrophe.

The Handmaid's Tale Jun 03 2020 An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The*

Handmaid's Tale is at once a mordant satire and a dire warning.

Dreamfever Aug 06 2020 Recommended by Charlene Harris, author of the series that inspired HBO's hit series TRUE BLOOD, this new #1 Bestselling series will take readers by storm! They may have stolen my past, but I'll never let them take my future. When the walls between Man and Fae come crashing down, freeing the insatiable, immortal Unseelie from their icy prison, MacKayla Lane is caught in a deadly trap. Captured by the Fae Lord Master, she is left with no memory of who or what she is. Clawing her way back from oblivion is only the first step Mac must take down a perilous path, from the battle-filled streets of Dublin to the treacherous politics of an ancient, secret sect, through the tangled lies of men who claim to be her allies into the illusory world of the Fae themselves, where nothing is as it seems - and Mac is forced to face a soul-shattering truth.

The War of the Worlds Mar 01 2020 When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

Bloodfever Oct 20 2021 NEW YORK TIMES BESTSELLER I used to be your average, everyday girl but all that changed one night in Dublin when I saw my first Fae, and got dragged into a world of deadly immortals and ancient secrets. . . . The Truth Seer Sep 06 2020 "Everyone has secrets, Rory. One of life's greatest challenges is figuring out who you can trust them with." Aurora Reynolds has managed to make some powerful enemies in the past two weeks. And it's clear they want her, and her secrets, dead. After achieving the impossible: freeing Jordan Daniels, a federal prisoner accused of treason, Rory hoped her life might finally go back to normal. But after surviving an assassination attempt, Rory realizes her problems are just beginning. Now that she's been forced to consort with the band of rebels working to defeat The Dream, Rory is unsure where her loyalties truly lie. It doesn't help that Jordan, the one man she thought she could trust, doesn't remember anything except snippets from the former life he shared with his dead wife. As Rory sets out to connect the puzzle pieces from others' memories, she stumbles down a pathway of discoveries about herself and The Dream's

frightening ultimate goal. And when an unexpected, distant ally emerges, Rory joins in the race against the clock to stop the unthinkable from happening. But with only a portion of the facts, is Rory choosing to trust the wrong people? Will powerful influences succeed in once again distorting the truth, or can Rory finally learn to trust her intuition and silence those adamant on controlling her and the world forever?

will he lose the woman he craves body and soul? *Games and Players* Oct 27 2019 It's all fun and games until somebody loses... Socioanalysts can read minds and motives at a glance, predict the future, manipulate the smallest actions of their unwitting puppets, and crush careers with a single word...or so the popular rumors say. Their arrival is dreaded everywhere in the European Administration, even the Investigation and Interrogation Division. Para-investigator Val Toreth, accustomed to being feared himself, is about to discover the truth of the rumors at first hand, when he is assigned as personal liaison to Carnac, the socioanalyst seconded to I&I to root out anti-Administration sentiments among its staff. And to make matters worse, it seems that his admin Sara is smitten with Carnac and Warrick has a history with him. With his closest allies straddling the line of Carnac's camp, Toreth must rethink the rules of engagement. The third book in the Administration series contains the novella Game, Set, as well as nine short stories in which virtual-reality corporate genius Warrick and Toreth must face new players in the game, and discover whether their association can survive both the tensions between the unlikely pair and the pressures of life in the near future dystopia of New London.

Shatter Me Apr 13 2021 The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

Flesh Oct 08 2020 Ali has been hiding in an attic since civilization collapsed eight weeks ago. When the plague hit, her neighbors turned into mindless, hungry, homicidal maniacs. When the three cross paths they band together; sparks fly, romance blooms in the wasteland and Ali, Daniel and Finn bend to their very human needs in the ruins of civilization. Lust, love and trust all come under fire in *Flesh* as the three battle to survive, hunted through the suburban wastelands.

The Queen of All That Dies (The Fallen

World Book 1) Jul 25 2019 In the future, the world is at war. For the last decade, King Lazuli of the Eastern Empire has systematically taken over the world. No one knows much about him other than a series of impossible facts: he cannot die, he has not aged since the conflict began, and he wants to rule the world. All Serenity Freeman has known is bloodshed. War has taken away her mother, her home, her safety. As the future emissary of the Western United Nations, the last autonomous region of the globe, she is responsible for forging alliances where she can. Surrender is on the horizon. The king can taste it; Serenity feels it deep within her bones. There is no other option. Now the two must come face to face. For Serenity, that means confronting the man who's taken everything from her. For the king, it means meeting the one woman he can't conquer. But when they meet, something happens. Cruelty finds redemption. Only in war, everything comes with a price. Especially love.

Into the Heartless Wood Jan 11 2021 The forest is a dangerous place, where siren song lures men and women to their deaths. For centuries, a witch has harvested souls to feed the heartless tree, using its power to grow her domain. When Owen Merrick is lured into the witch's wood, one of her tree-siren daughters, Seren, saves his life instead of ending it. Every night, he climbs over the garden wall to see her, and every night her longing to become human deepens. But a shift in the stars foretells a dangerous curse, and Seren's quest to become human will lead them into an ancient war raging between the witch and the king who is trying to stop her.

Seduction May 15 2021 Willa Knight: Dweller? Sol? Accidental evolutionary hiccup? Willa has never been a particularly useful dweller: she isn't very good at chores, she isn't very good at worshipping, she isn't very good at not having

opinions, and she isn't very good with rules-but none of that matters anymore. The rules are changing. The dwellers are trying to make their own way in the world, and Willa can't seem to help getting tangled up in their plans. Luckily, she has the Abcurse brothers to help her out-until she doesn't, and suddenly she's alone again in a world on the brink of chaos. With the Abcurses gone, she'll have to rely on her wits, and her sister Emmy, to stay under the radar and survive. Because someone wants her dead. But, really, what else is new? This is a full novel, 90,000 words. Book 3 of 5 in the Curse of the Gods Series

Blood & Thunder Jun 23 2019 Action. Comedy. Romance. And that one weird guy. When a series of bombs go off in a Therian youth center, injuring members of THIRDS Team Destructive Delta, and causing a rift between agents Dexter J. Daley and Sloane Brodie, peace seems unattainable. Especially when a new and frightening group, the Order of Adrasteia, appears to always be a step ahead. With panic and intolerance spreading and streets becoming littered with the Order's propaganda, hostility between Humans and Therians grows daily. Dex and Sloane, along with the rest of the team, are determined to take down the Order and restore peace, not to mention settle a personal score. But the deeper the team investigates the bombings, the more they believe there's a more sinister motive than a desire to shed blood and spread chaos. Discovering the frightful truth behind the Order's intent forces Sloane to confront secrets from a past he thought he'd left behind for good, a past that could not only destroy him and his career, but also the reputation of the organization that made him all he is today. Now more than ever, Dex and Sloane need each other, and, along with trust, the strength of their bond will mean the difference between justice and all-out war.

The League Mar 13 2021 "Years ago, family loyalty caused Fain Hawk to give up everything he loved: His military career. His planet. His fiancée. Even his name. Now decades later, everything has changed. He's built a new life out of the ashes of his old, and he's vowed to never let anything threaten his loved ones again. But when old enemies align themselves with new

ones, he's caught in the middle of a brutal war. And when fate throws his former fiancée back into his world and she has her own agenda that includes taking his head for what he did to her years ago, more than just his life is at stake. The fate of the Ichidian universe and that of his brothers-in-arms hangs in the balance. Winner take all. It's killed or be killed, and never has the battle been more fierce ... Or more fun"--

Delirium Nov 28 2019 The first book in Lauren Oliver's New York Times bestselling trilogy about forbidden love, revolution, and the power to choose. In an alternate United States, love has been declared a dangerous disease, and the government forces everyone who reaches eighteen to have a procedure called the Cure. Living with her aunt, uncle, and cousins in Portland, Maine, Lena Haloway is very much looking forward to being cured and living a safe, predictable life. She watched love destroy her mother and isn't about to make the same mistake. But with ninety-five days left until her treatment, Lena meets enigmatic Alex, a boy from the Wilds who lives under the government's radar. What will happen if they do the unthinkable and fall in love?

Strength Jul 17 2021 Willa Knight: Dead? Alive?

Damned to a state of eternal bad luck? Willa and the Abcurse brothers are back, and more determined than ever to stick by each other. Unfortunately, Staviti has other plans, plans that threaten to change the natural order of the worlds-though nobody really understands why. His agenda may very well affect all beings on Minatsol, even those that thought themselves safe in Topia. Even Willa-invincible-Knight. Unsure with her new place in the worlds, Willa must follow the Abcurses to their new post: Champions Peak, a secluded mountain far from civilization, where the most powerful sols have been summoned to hone their abilities through direct contact with the gods. There is a chance that she might survive her time on the mountain, but it seems like staying alive amidst the powerful occupants of the Peak is the least of her concerns. Her real problem is staying on the mountain at all. This is a full novel, 90,000 words. Book 4 of 5 in the Curse of the Gods Series
