Rosen & Barkin's 5-Minute Emergency Medicine Consult Jun 26 2022 The sixth edition of this comprehensive yet concise Rosen & Barkin's 5 Minute Emergency Medicine Consult pulls together up-to-date and

evidence-based practice guidelines for easy use in a busy emergency department. In just two brief, bullet-friendly, clutter-free pages, you can quickly decipher the information you need to confirm your diagnosis, order tests, manage treatment and more!

Blackwell's Five-Minute Veterinary Consult Oct 26 2019 Blackwell's Five-Minute Veterinary Consult: Small Mammal brings together a wide range of information on diseases commonly seen in small exotic mammals into a single, accessible resource. With consistency and broad coverage unparalleled by other texts, this new edition adds sections on chinchillas, guinea pigs, and rodents to the existing rabbit and ferret topics to offer complete coverage of these popular, yet less commonly treated, species. Detailed, up-to-date information on the diagnosis and treatment options for all disorders commonly encountered in exotic companion animals is readily accessible, making this a go-to reference for any veterinarian seeing small exotic mammals, regardless of their experience level with these species. Divided into sections by species, topics are organized alphabetically, with a standardized layout that makes it easy to find information. The Second Edition includes access to customizable Client Education Handouts, which can be downloaded and used in the veterinary clinic, on a companion website at www.wiley.com/go/oglesbee. This book is an essential purchase for general practitioners treating exotic companion animals, exotic animal veterinarians, and veterinary students.

The 5-Minute Sports Medicine Consult Mar 31 2020 Now in its Second Edition, The 5-Minute Sports Medicine Consult is a clinically oriented quick consult reference for sports medicine. Common sports-related problems faced by primary care practitioners are thoroughly and concisely presented in the famous fast-access 5-Minute Consult format. Written by esteemed internal medicine and family medicine practitioners and published by the leading publisher in medical content, The 5-Minute Clinical Consult 2018, 26th Edition includes a Free Trial to 5MinuteConsult.com.

The 5-minute Urology Consult Nov 27 2019 This is a comprehensive reference for urological disorders, including adult and pediatric problems. Given the nature of the 5 Minute format, it is more useful for medical than surgical approaches to urologic problems, and thus functions well as an adjunct to Glenn's Urologic Surgery, for which Len Gomella is also an editor. As a comprehensive reference it occupies a vacant spot in the market between good but smaller and less comprehensive handbooks and encyclopedic, often multivolume, textbooks. It is useful as a board exam prep tool. The Second Edition includes a number of new entries and a new section of algorithms for some of the most common or problematic diagnoses. The organization of the book has been revamped so that all standard 2-page entries are printed in alphabetical order, and pages are tabbed for quicker access. The short entries are printed in alphabetical order in their own section after the standard entries.

The 5-Minute Clinical Consult Standard 2016 May 26 2022 The 5-Minute Clinical Consult Standard 2016, 24th Edition, provides rapid-access in a quick-reference print format. It delivers diagnosis, treatment, medications, follow-up, and associated factors for a broad range of diseases and conditions. Organized alphabetically by diagnosis, this best-selling clinical reference continues to present brief, bulleted information on disease topics in a consistent and reader-friendly three-column format. The 5-Minute Clinical Consult Standard 2016, 24th Edition provides: 650+ commonly encountered diseases and disorders 150+ Treatment and diagnostic algorithms ICD10 Codes Current evidence-based designations highlighted in each topic A revised and updated Health Maintenance section The Health Maintenance 1-page summaries, based on the US Preventive Services Task Force recommendations

The 5 Minute Veterinary Consult May 02 2020 Every day, you are faced with a deluge of common and not-so-common problems. The 5-Minute Veterinary Consult: Canine and Feline offers authoritative coverage and timely answers to all your questions. It is a clinical reference loaded with practical information from leading experts in small animal practice. This text is an important resource you can use every day. A quick reference resource of internal medicine in canine and feline health, the book includes: over 700 specific disorders...contributions from nearly 300 leading authorities in the field...and 17 section editors covering every specialty of small animal practice. The 5-Minute Veterinary Consult: Canine and Feline is broken into three major sections. The Problems is a concise, targeted focus on primary signs and symptoms for fast and accurate recognition. The Laboratory offers profiles that give easy access to indications, interpretations, and pitfalls of each study to help you make better decisions and save time and money. The Diseases alphabetically lists every common condition you manage in the dog and cat, as well as less common ones, so you, ll be prepared no matter what shows up in your waiting room. All the major topics are listed alphabetically in a consistent one- or two-page format. Excellent appendices provide a convenient one-stop location for conversion tables, lab values, and drug information.

Blackwell's Five-Minute Veterinary Consult Clinical Companion Sep 25 2019 Blackwell's Five-Minute Veterinary Consult Clinical Companion: Equine Theriogenology provides quick access to essential information on common techniques and conditions in equine reproductive practice. Part of the popular Blackwell's Five-Minute Veterinary Consult series, this resource builds on the reproduction section of Blackwell's Five-Minute Veterinary Consult: Equine to present expanded theriogenology coverage with clinical photographs. With information ranging from artificial insemination and fetal sexing to parentage testing and vaccination programs, the book offers 158 similarly formatted chapters to help practitioners efficiently manage reproductive health in the mare and stallion and confidently treat fetal and neonatal patients.

5-Minute Anesthesia Consult Nov 19 2021 The 5-Minute Anesthesia Consult provides a readily accessible compilation of anesthesia topics that is useful to students, residents, physicians, certified nurse anesthetists, anesthesia assistants, and ancillary medical staff. Following the highly successful format of the 5-Minute Clinical Consult series, 480 topics will be covered, each in a highly formatted two-page spread covering risk factors and epidemiology, preoperative evaluation, intraoperative care and postoperative care. The topic specific format of each chapter provides a focused, evidence-based, yet simplified, discussion of Physiology, Management, Co-Existing Disease, Surgical Procedure, and Drug topics. In addition to general operative and perioperative care, this comprehensive book also covers subspecialty topics in cardiac, neurosurgical, obstetric, geriatric, critical care, pediatric, regional, vascular, thoracic, and acute and chronic pain.

Blackwell's Five-Minute Veterinary Consult Clinical Companion Jun 14 2021 Blackwell's Five-Minute Veterinary Consult Clinical Companion: Small Animal Dentistry, Second Edition presents essential information in a succinct, well-defined format for easy and quick access. This fully revised edition offers more color images, general updates from recent developments, and extensive revisions to the diagnostic and techniques sections, as well as additional information on charting with corresponding illustrations. New topics include exotic pets, including ferrets, prairie dogs, and chinchillas; oral pain management; home care; the technician in dentistry; and the business of dentistry. Topics cover diagnostics and treatment in a logical step-wise fashion, taking the typical Five-Minute format. Ancillary subjects on pain management, home care, and small mammal care have also been addressed and expanded, and a new companion website offers client education handouts to download and use in practice at <http://www.wiley.com/go/lobprise>. Blackwell's Five-Minute Veterinary Consult Clinical Companion: Small Animal Dentistry is the ideal practical manual for general practitioners seeking accessible, reliable information on dentistry techniques and treatments.

Clinical Guidelines in Family Practice Aug 24 2019 "Clinical Guidelines in Family Practice, 5th edition, is the fully revised and updated version of a book that has been serving primary care clinicians for more than twenty years. Using a traditional and easy-to-follow format, the book examines all of the common conditions encountered in primary care settings, while also addressing health promotion and disease prevention. For each topic, the essentials of pathophysiology, clinical presentation, diagnosis, and corresponding treatment plans including prognosis and recommended follow-up schedules are sequentially organized. Also included are recommended web-based resources and references to more in-depth discussion of the various topics. As in previous editions, Clinical Guidelines in Family Practice aims for thoroughness in coverage and for concision in approach, a formula that helps clinicians to efficiently recognize and treat the myriad medical conditions that they face as primary-care providers."--Online book description.
