El facismo italiano Nov 22 2019 El fascismo comenzó siendo el empeño de un disidente socialista y se convirtió en una realidad política de masas. Una de las diferencias entre la Revolución bolchevique y la Revolución fascista está en que si la primera luce como la obra de una minoría organizada, con respaldo militar y táctica maquiavélica, apoderándose del poder, la segunda es el resultado del ascenso político no solo de un caudillo, sino de la mesocracia italiana. La justificación ideológica del rechazo a la pluralidad democrática encontró en el fascismo igual radicalidad simplista que en el bolchevismo y en el nazismo. La brutalidad represiva del fascismo hace a Mussolini un líder totalitario de escala menor, con una brutalidad inferior a la de Stalin y Hitler. En una hipotética gradación del cinismo genocida que distingue a esos líderes totalitarios, el Duce está más abajo que el Führer alemán o el Vožd sovietico.

Muslims in Spain, 1492-1814 Jun 17 2019 "In Muslims in Spain, 1492-1814: Living and Negotiating in the Land of the Infidel, Eloy Martín-Corrales surveys Hispano-Muslim relations from the late fifteenth to the eighteenth centuries, a period of chronic hostilities. Nonetheless there were thousands of Muslims in Spain during this time: ambassadors, exiles, merchants, converts, and travelers. Their negotiating strategies and the necessary support they found on both shores of the Mediterranean prove that relations between Spaniards and Muslims were based on reasons of state and a pragmatism that generated intense ties, both political and economic. These increased enormously after the peace treaties that Spain signed with Muslim countries between 1767 and 1791"--

Salvemos al amor Sep 13 2021 Regresa Yohana García con un libro dirigido a quienes no se conforman con esperar a que su vida mejore y se llene de amor y felicidad, sino que están dispuestos a realizar el esfuerzo que les permita alcanzar estos anhelos. La autora invita a los lectores, mediante la fe, la reflexión y las acciones concretas, a encender el fuego interior capaz de iluminar su ascenso hacia la perfección. Las tres partes de esta ruta son la relación con uno mismo y con los demás, el camino personal y la capacidad creativa y, finalmente, nuestra relación con la divinidad y la trascendencia del alma. La propia Yohana presenta visualizaciones y ejercicios en línea, así como un oráculo de los ángeles que permite obtener respuestas de estos seres a determinadas preguntas. Un mensaje de amor y crecimiento interior.

The Prince Dec 16 2021 Based on a true story, *The Prince* is a “complex, informed, and intelligent saga” (Kirkus Reviews) about the web of love, betrayal, and murder that forged the most powerful criminal organization in history—the Mafia. In this remarkable novel, author Vito Bruschini brilliantly evokes the charismatic figure of Prince Ferdinando Licata, a wealthy Sicilian landowner who uses his personal power and charm to placate Sicilian peasants and fight off Mussolini’s fascists. As tensions rise in Italy during the 1930s, with increasingly violent consequences, Licata attracts many friends and even more enemies. Eventually implicated in a grisly murder, the prince flees to America, where he ends up navigating a turf war between Irish and Italian gangs of the Lower East Side. Violence explodes in unexpected ways as Licata gains dominance over New York, with the help of a loyal townsman with blood ties to the prince who is forced to abandon his fiancée in Sicily. The two men return to their native land at the height of World War II in an outrageously bold maneuver engineered by Licata and mobster Lucky Luciano. Both the prince and his kinsman assist US naval intelligence during the invasion of Sicily and, once they are back on their native soil, they proceed to settle unfinished business with their enemies and unravel old secrets in a stunning and sinister finale. Through a spellbinding story and unforgettable characters, Bruschini depicts in visceral detail the dark intertwining roots of loyalty and betrayal, poverty and privilege, secrets and revelations that contributed to the rise of the Mafia in Sicily and America.

Laudato Si' Apr 20 2022 *Laudato Si'* is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

Dove Va la Storia Economica? Feb 24 2020

Venezuela Reframed Feb 06 2021 The role of the indigenous population in the formation of the Bolivarian constitution is one of Latin America’s most important untold stories. Considered a beacon of twenty-first century socialism by many, Venezuela is witnessing the paradoxical emergence of ‘indigenous capitalisms’ as the government and various indigenous actors are driven by notions of development and enfranchisement grounded in the ideology of multiculturalism. *Venezuela Reframed* shows that a considerable part of indigenous activism, aligned with the Bolivarian governments, has paved the way for development in classical, social-democratic terms. It looks at how, in opposition to sectors of the indigenous population fighting for effective autonomy, many legitimate claims are being usurped to consolidate capitalist relations. Boldly arguing that romanticized notions of cultural indigeneity hide growing class struggle, this book is essential reading not just for those interested in Venezuela, but all those interested in the prospects of democracy, contemporary states and alternatives to capitalism worldwide.

Borromini (Revised) Jan 17 2022 Studies the architectural development, styles, and forms of Borromini, noting the importance of geometry and the influence of such masters as Bernini and Michelangelo

Women in the Wilderness Aug 20 2019 How were legal issues featuring women treated and resolved in the Book of Numbers? Francesco Cocco studies a trio of texts and finds the prominent place afforded to women quite peculiar and, it seems, at odds with the notions of autonomy, freedom, self-determination, or whatever other synonym can be married conceptually to the idea of women in leading roles. This in-depth investigation goes beyond appearances however to reveal a broader, perhaps even unexpected, understanding of these three literary traditions - traditions which are the product of the skillful amalgamation of narrative and legislative material so characteristic of the Torah in general and the Book of Numbers in particular.

Francesco: El maestro del amor Mar 19 2022 Yohana García nos transmite los mensajes de sabiduría y esperanza que nos sensibilizan para vivir abiertos al amor verdadero, a la comprensión y a las nuevas experiencias. Convertido en maestro del amor, Francesco regresa para infundirnos el aliento que necesitamos cuando la vida se torna carente de sentido. En la cuarta entrega de la exitosa saga que ha transformado la vida de miles de lectores, Francesco regresa al cielo con nuevos bríos: desea ser el maestro del amor. Su misión consistirá en descender a la tierra para acompañar a las personas que sufren y mostrarles la forma de solucionar sus problemas, sin que ellas descubran su identidad ni los propósitos que lo motivan. En

el transcurso de esta empresa no faltarán los enredos ni los malos entendidos, pues dos almas se disputan la presencia de Francesco a su lado en esta nueva vida. Basado en historias reales y canalizaciones del mismo Francesco, Yohana García nos entrega una nueva y deslumbrante obra cuyas páginas brindan un mensaje de fe y esperanza, que tocará una vez más el corazón de sus lectores.

Francesco: El llamado Aug 24 2022 "Después del desamor está el amor. Después de la desesperanza, la fe. Después de la muerte, la vida. . ." "No hay que confundir renacer con continuar; porque lo que continúa con el tiempo se deteriora, pero lo que renace es eterno." Regresa la autora de Francesco. Una vida entre el Cielo y la Tierra y Francesco decide volver a nacer, libros que han transformado la vida de miles de lectores. Aquí, Yohana García vuelve a deslumbrarnos con una historia mágica de amores y desencuentros, decepciones y milagros que se desarrolla en un Ashram de la India. El protagonista es Agustín, quien en otra vida se llamaba Francesco. Era un hombre confundido e indeciso que debió morir para comprender, gracias a las enseñanzas de sus guías espirituales, el sentido de la existencia y de la felicidad. Ahora, Agustín se ha encontrado con Camila, a quien conoció mientras estuvo en el Cielo. De la mano de un excepcional y sabio maestro, ambos emprenderán un camino de autoconocimiento que los llevará por sendas muy diferentes. Cada uno encontrará las respuestas que había estado buscando y descubrirá que las cosas que necesitamos llegan a su tiempo, todos somos parte de un gran plan divino y con nuestras acciones afectamos la vida de todos.

Boy Underground Mar 07 2021 During WWII, a teenage boy finds his voice, the courage of his convictions, and friends for life in an emotional and uplifting novel by the New York Times and #1 Amazon Charts bestselling author. 1941. Steven Katz is the son of prosperous landowners in rural California. Although his parents don't approve, he's found true friends in Nick, Suki, and Ollie, sons of field workers. The group is inseparable. But Steven is in turmoil. He's beginning to acknowledge that his feelings for Nick amount to more than friendship. When the bombing of Pearl Harbor draws the US into World War II, Suki and his family are forced to leave their home for the internment camp at Manzanar. Ollie enlists in the army and ships out. And Nick must flee. Betrayed by his own father and accused of a crime he didn't commit, he turns to Steven for help. Hiding Nick in a root cellar on his family's farm, Steven acts as Nick's protector and lifeline to the outside world. As the war escalates, bonds deepen and the fear of being different falls away. But after Nick unexpectedly disappears one day, Steven's life focus is to find him. On the way, Steven finds a place he belongs and a lesson about love that will last him his lifetime.

Francesco: El llamado Oct 26 2022 The main character is Agustín, who in another life was named Francesco. He was a confused and indecisive man who had to die to understand, thanks to the teachings of his spiritual guides, the sense of existence and of happiness. Now, Agustín has found Camila, who he knew when he was in Heaven. It just so happens that due to a wise and exceptional teacher, they both will learn the way to self-realization that will take them on very different paths. Each one will find answers to what they have been searching for, and they will discover that the things that they need will come in due time, that we are all part of a grand, divine plan and that our actions affect the lives of others. But Yohana García also utilized as inspiration the thousands of emails and letters that have been sent by readers, sharing their personal experiences, and because of these, the gifts that they received and the miracles that gave a twist to their existence.

Reactive scattering for H- + H2 and H+ + H2 and its isotopologues Dec 24 2019 The reactive scattering for H- + H2 and H+ + H2 and its isotopologues were investigated using different methods. The studies aimed at providing insights into elementary reactions, and go beyond these to more complex chemical reactions. By comparison of the reaction probabilities of H+ + H2 using adiabatic and non-adiabatic methods, it was found that, at low collision energies, the reaction preferentially occurs adiabatically, but at higher collision energies non-adiabatic effects should be taken into account. For H- + H2 and its isotopologues, we can see that, at low collision energies, the reaction probabilities and reaction cross section using SM-PES and AY-PES are very similar but different from PS-PES. The reaction cross sections investigated with quasi-classical trajectories are higher than those calculated with quantum wavepackets. For the collision H- and D- with HD, the main reaction path ways are different with the different collision energies.

Paquete Francesco May 21 2022 This set includes the four novels that made Yohana García a successful author Francesco: Una vida entre el cielo y la tierra, Francesco: El llamado, Francesco decide volver a nacer, and Francesco: El maestro del amor. Francesco is that teacher who helps you find love, overcome challenges, and take control of your life. Through these books, readers will understand that they are full of magic, inner strength, and the ability to achieve what they desire in life.

Architecture and Participation Sep 20 2019 Bringing together leading international practitioners and theorists in the field, ranging from the 1960s pioneers of participation to some of the major contemporary figures in the field, Architecture and Participation opens up the social and political aspects of our built environment, and the way that the eventual users may shape it. Divided into three sections, looking at the politics, histories and practices of participation, the book gives both a broad theoretical background and more direct examples of participation in practice. Respectively the book explores participation's broader context, outlining key themes and including work from some seminal European figures and shows examples of how leading practitioners have put their ideas into action. Illustrated throughout, the authors present to students, practitioners and policy makers an exploration of how a participative approach may lead to new spatial conditions, as well as to new types of architectural practices, and investigates the way that the user has been included in the design process.

Selectivity in Catalysis Jun 10 2021 Discusses recent research and provides tutorial chapters on enhancing selectivity in catalysis through stereoselectivity, reaction pathway control, shape selectivity, and alloys and clusters. Presents an interdisciplinary approach to increasing selectivity in homogeneous and heterogeneous catalysis research. Includes an overview chapter that discusses the current state of the field and offers a perspective on future directions.

Albert O. Hirschman Jan 25 2020 One of the most original social scientists of the twentieth century, Albert O. Hirschman led an uncommonly dramatic life. After fleeing Nazi Germany as a youth, he fought in the Spanish Civil War, took part in antifascist activities in Italy, and organized an underground rescue operation in Marseille through which more than 2,000 people, including Marc Chagall, Arthur Koestler, and Hannah Arendt, escaped Europe. Hirschman moved across topics, methodologies, and disciplinary boundaries as fluidly as he did among countries and languages. His work is marked by a deep suspicion of all-encompassing theories, valuing instead doubt and a sensitivity to contingencies and unexpected consequences. In this intellectual biography, the economic historian Michele Alacevich explores the development and trajectory of Hirschman's characteristic approach to social-scientific questions. He traces the many strands of Hirschman's thought and their place in his multifaceted body of work, considering their limitations as well as their strengths. Alacevich puts Hirschman's ideas into context, following his participation in the major intellectual and political debates of his times. He examines Hirschman's pioneering work in development studies and his analyses of social change, the history of capitalism, and the workings of democracy alongside his activities in the postwar reconstruction of Europe and economic development in Latin America. A compelling intellectual portrait of a profoundly distinctive thinker, this book also reflects on Hirschman's legacy and lasting influence.

LA ESTRELLA PERDIDA (Segundo libro de la trilogía EL PAPIRO). Dec 04 2020 Sinopsis ¡REVELADORA!... ¡ÚNICA E IRREPETIBLE!... Un grupo de arqueólogos descubren en unos viejos papiros el misterio de La Vera Cruz, la cruz de la crucifixión de Cristo. Los escritos revelaban que los esenios, hermandad de la que formaba parte Jesucristo, la habían llevado y escondido en la cima del enigmático Kukenán, el llamado Tepuy de los Muertos, en la Gran Sabana, al sureste de Venezuela. Divor Klaus, un avezado antropólogo y aventurero, parte a buscarla porque los pergaminos revelaban que la cruz se materializaría a las tres de la tarde del Domingo de Resurrección de ese año. La Santa Sede, apoyada por los Dei Pax, una banda de sicarios al servicio de la Iglesia, va tras su pista, pero se topa con un místico secreto: el nacimiento en la tierra de los Nion, una especie de niños ángeles con poderes celestiales. Intrigas y confabulaciones se apoderan del Vaticano y sus más altos prelados hasta que el día señalado deviene la alineación del Triángulo Divino, acontecimiento que devela nuevas y tenebrosas profecías para la humanidad. Cuadro de la portada: En el año del silencio, de Diego Fortunato (Serie Horizontes Perdidos, 1991).-

En busca de tu alma gemela Jun 22 2022 FRANCESCO ENCONTRÓ A SU ALMA GEMELA. ¡TÚ TAMBIÉN PUEDES LOGRARLO! El amor es un acto de valentía. Como nos

explica Yohana García, a partir de la experiencia inspiradora de Francesco, la voluntad de arriesgarnos, abrírnos a lo que nos rodea y ser partícipes de los puntos más bajos y más altos de la vida es la clave para encontrar la plenitud en todo su placer, su dolor y en todos los sentimientos que nos definen como humanos. Como Camila y Francesco, tú también puedes hallar a tu alma gemela si afrontas la realidad con serenidad, valor y la conciencia de que el amor es lo más puro, reconfortante y pleno que nos podemos permitir en este paso por el mundo. Francesco decide volver a nacer May 09 2021 "No hay que confundir renacer con continuar; porque lo que continúa con el tiempo se deteriora, pero lo que renace es eterno." "Después del desamor está el amor; después de la desesperanza, la fe; después de la muerte, la vida . . ." Tras el éxito internacional alcanzado con Francesco. Una vida entre el Cielo y la Tierra, este nuevo y fascinante libro enriquece el mensaje de vida y esperanza de Yohana García, una autora cuya obra ha conquistado a miles de lectores. Aquí volvemos a encontrarnos con Francesco, quien tras una estancia en el Cielo —donde recibió el consejo y enseñanzas de los grandes maestros— tiene el privilegio de volver a nacer, ahora en el cuerpo de Agustín. Aún recuerda lo aprendido durante su estancia en el plano superior y es momento de aplicar este conocimiento para darle significado a su nueva existencia. Las hermosas páginas de este libro nos desafían a dejar de vivir de manera mecánica, repitiendo los gestos aprendidos desde la infancia y los hábitos que la costumbre ha esculpido en nuestro interior. La gran enseñanza que se desprende de la presente novela tiene que ver con la importancia de llevar una existencia consciente, abierta al amor verdadero, a la comprensión del otro y a las nuevas experiencias. Mediante los recursos propios de la literatura, la autora elabora una conmovedora alegoría en torno a los retos, dificultades y oportunidades que se nos presentan a todos los seres humanos. En este caso, dicho mensaje queda ejemplificado en el "renacer" de Francesco, cuya segunda oportunidad lo lleva a indagar sobre el propósito de la vida (la suya y la del ser humano en general).

Diversification of Mexican Spanish Apr 08 2021 This book offers a diversification model of transplanted languages that facilitates the exploration of external factors and internal changes. The general context is the New World and the variety that unfolded in the Central Highlands and the Gulf of Mexico, herein identified as Mexican Colonial Spanish (MCS). Linguistic corpora provide the evidence of (re)transmission, diffusion, metalinguistic awareness, and select focused variants. The tridimensional approach highlights language data from authentic colonial documents which are connected to socio-historical reliefs at particular periods or junctions, which explain language variation and the dynamic outcome leading to change. From the Second Letter of Hernán Cortés (Seville 1522) to the decades preceding Mexican Independence (1800-1821) this book examines the variants transplanted from the peninsular tree into Mesoamerican lands: leveling of sibilants of late medieval Spanish, direct object (masc. sing.] pronouns LO and LE, pronouns of address (vos, tu, vuestra merced plus plurals), imperfect subjunctive endings in -SE and -RA), and Amerindian loans. Qualitative and quantitative analyses of variants derived from the peninsular tree show a gradual process of attrition and recovery due to their saliency in the new soil, where they were identified with ways of speaking and behaving like Spanish speakers from the metropolis. The variants analyzed in MCS may appear in other regions of the Spanish-speaking New World, where change may have proceeded at varying or similar rates. Additional variants are classified as optimal residual (e.g. dizque) and popular residual (e.g. vide). Both types are derived from the medieval peninsular tree, but the former are vital across regions and social strata while the latter may be restricted to isolated and / or marginal speech communities. Each of the ten chapters probes into the pertinent variants of MCS and the stage of development by century. Qualitative and quantitative analyses reveal the trails followed by each select variant from the years of the Second Letter (1520-1522) of Hernán Cortés to the end of the colonial period. The tridimensional historical sociolinguistic model offers explanations that shed light on the multiple causes of change and the outcome that eventually differentiated peninsular Spanish tree from New World Spanish. Focused-attrition variants were selected because in the process of transplantation, speakers assigned them a social meaning that eventually differentiated the European from the Latin American variety. The core chapters include narratives of both major historical events (e.g. the conquest of Mexico) and tales related to major language change and identity change (e.g. the socio-political and cultural struggles of Spanish speakers born in the New World). The core chapters also describe the strategies used by prevailing Spanish speakers to gain new speakers among the indigenous and Afro-Hispanic populations such as the appropriation of public posts where the need arose to file documents in both Spanish and Nahuatl, forced and free labor in agriculture, construction, and the textile industry. The examples of optimal and popular residual variants illustrate the trends unfolded during three centuries of colonial life. Many of them have passed the test of time and have survived in the present Mexican territory; others are also vital in the U.S. Southwestern states that once belonged to Mexico. The reader may also identify those that are used beyond the area of Mexican influence. Residual variants of New World Spanish not only corroborate the homogeneity of Spanish in the colonies of the Western Hemisphere but the speech patterns that were unwrapped by the speakers since the beginning of colonial times: popular and cultured Spanish point to diglossia in monolingual and multilingual communities. After one hundred years of study in linguistics, this book contributes to the advancement of newer conceptualization of diachrony, which is concerned with the development and evolution through history. The additional sociolinguistic dimension offers views of social significant and its thrilling links to social movements that provoked a radical change of identity. The amplitude of the diversification model is convenient to test it in varied contexts where transplantation occurred.

Venice Saved Oct 14 2021 Towards the end of her life, the French philosopher and mystic Simone Weil (1909-43) was working on a tragedy, Venice Saved. Appearing here in English for the first time, this play explores the realisation of Weil's own thoughts on tragedy. A figure of affliction, a central theme in Weil's religious metaphysics, the central character offers a unique insight into Weil's broader philosophical interest in truth and justice, and provides a fresh perspective on the wider conception of tragedy itself. The play depicts the plot by a group of Spanish mercenaries to sack Venice in 1618 and how it fails when one conspirator, Jaffier, betrays them to the Venetian authorities, because he feels compassion for the city's

beauty. The edition includes notes on the play by the translators as well as introductory material on: the life of Weil; the genesis and purport of the play; Weil and the tragic; the issues raised by translating Venice Saved. With additional suggestions for further reading, the volume opens up an area of interest and research: the literary Weil.

Francesco: El Maestro del Amor Sep 25 2022 Francesco returns to infuse us with breath when life appears to be meaningless. In the fourth installment of the blockbuster franchise that has transformed the lives of thousands of readers, Francesco is back with a renewed vigor: to become the master of love. His mission is to descend to earth and show those suffering how to fix their problems without them being aware of his presence. Throughout this book, Francesco is a part of the tangling and misunderstandings between two souls as they argue about his presence, all the while he stands by their sides.
